

T3-MJ

FEATURES

- Simple installation
- Requires a 2" diameter hole
- Black drop down cover
- Mounts gooseneck microphone or mic cable

The T3-MJ Table Top Microphone Box is an elegant way to mount a gooseneck microphone or plug a standard microphone cable into a tabletop or lectern. The stylish table box is available in a black finish. Other finishes are available upon request.

The unit's installation is made by simply drilling a 2" diameter hole in the mounting surface. Less than 1.5" of under table clearance is required. The built-in acoustically isolated microphone connector accommodates microphones and cables with XLR plugs.
